MRT CORP AWARDS FOUR WORK PACKAGES

Three viaduct packages and one station package awarded for the construction of the MRT SSP Line

Kuala Lumpur, 10 March 2017: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) wishes to announce the award of four work package contracts for the construction of the MRT Sungai Buloh-Serdang-Putrajaya (SSP) Line.

Work Package V205 for the construction and completion of the viaduct guideway and other associated works from Kampung Muhibbah to Serdang Raya was awarded to Trans Resources Corporation Sdn Bhd. The contract sum is RM858.18 million.

The tender for Work Package V205, which is in the open category, commenced on 1 November 2016 and closed on 12 January 2017. A total of five companies had submitted tenders. The winning tenderer have also been awarded an Advanced Work Package for the construction of the MRT SSP Line.

Trans Resources had earlier been awarded Work Package for the construction of the MRT Sungai Buloh-Kajang (SBK) Line, handling the construction of the Sungai Buloh MRT Depot.

Meanwhile, the successful tenderer for Work Package V206 for the construction and completion of the viaduct guideway and other associated works from Serdang Raya to UPM was Gadang Engineering (M) Sdn Bhd. The contract sum is RM952.09 million.

The tender for Work Package V206, also in the open category, commenced on 5 September 2016 and closed on 22 November 2016. A total of six tenders were submitted for this work package.

Gadang handling Viaduct Package V2 for the construction of the viaduct guideway from Kwasa Damansara Station to Surian Station.

The third package to be awarded is Work Package V209 for the construction and completion of viaduct guideway and other associated works from Persiaran Alpinia to Persiaran APEC which was awarded to Acre Works Sdn Bhd. The contract sum is RM715.99 million.

The tender for Work Package V209, which is in the Bumiputera Category, commenced on 19 September 2016 and closed on 21 November 2016. A total of four tenders were submitted.

Acre Works was involved in the construction of the SBK Line, handling the advance work package for the design and build contract for the new JKR Wilayah Persekutuan Workshop as associated, as well as the supply and delivery of segmental box girders.

The award for the three packages, which completes the tenders for all 10 viaduct work packages for the SSP Line, were made following a One-Stop Procurement I (OSPC I) Meeting chaired by Prime Minister Dato' Sri Mohd Najib Tun Abdul Razak. OSPC I meetings are held to determine work packages valued at RM300 million and above.

Meanwhile, a separate OSPC II meeting to determine work packaged valued at less than RM300 million and chaired by the Minister of Finance II Datuk Seri Johari Abdul Ghani, was also held to decide on the award of Work Package S201 for the construction and completion of elevated stations and other associated works at Damansara Damai, Sri Damansara West and Sri Damansara East.

The successful tenderer for the work package was Sunway Construction Sdn Bhd. The contract sum is RM 212.3 million.

The tender for Work Package S201 commenced on 14 September 2016 and closed on 29 November 2016. A total of eight tenders were submitted.

Sunway Construction is currently the Work Package Contractor for Viaduct Package V201 for the construction of the elevated guideway from Sungai Buloh to Persiaran Dagang of the SSP Line. Sunway Construction was also involved in the SBK Line, handling Viaduct Package V4 for the construction of the elevated viaduct from Section 17 Petaling Jaya to the Semantan Portal.

A summary of the awards is appended with this media release.

MRT Corp Chief Executive Officer Dato' Sri Shahril Mokhtar congratulated the successful tenderers and welcomed the fact that they were already very familiar with the Klang Valley MRT Project.

"I wish to welcome them back to the MRT Project. Their experience working on the SBK Line will be invaluable as they have would have many lessons learnt. I believe this will enable them to give their best and perform well for the SSP Line Project," he said.

Shahril added that all four winning tenderers were selected on the basis of the best evaluated tender, where the tenders were evaluated on their technical, commercial, legal, financial and Industrial Collaboration Programme (ICP) evaluation.
