

28 shortlisted for 6 MRT work packages

KUALA LUMPUR: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) has pre-qualified 28 companies for six MY Rapid Transit (MRT) system work packages. The companies were shortlisted from a total of 51 submissions.

The six work packages are electric trains, depot equipment and maintenance vehicles, signalling and train control system, platform screen doors, power supply and distribution system, and track works.

“All applications went through a rigorous evaluation process to ensure that the MRT project is delivered within the targeted time and cost. The tender process was done fairly and with full transparency,” MRT Corp CEO Datuk Azhar Abdul Hamid said.

Applicants were evaluated based on a list of criteria that included financial capabilities, track record, experience, management staff and key personnel, and average annual construction turnover in last five years.
