

MMC-Gamuda accepts RM8.28b job

KUALA LUMPUR: MMC Corp Bhd and Gamuda Bhd, via its joint-venture entity MMC Gamuda KWMRT (T) Sdn Bhd, have accepted the award of the underground works package for the Klang Valley Mass Rapid Transit (MRT). The companies said that their joint-venture firm would build a 9.5km stretch from Semantan North Portal to Maluri South Portal. The package, valued at RM8.28 billion, is the biggest portion of the RM30 billion MRT project.
