

TRC subsidiary gets RM459m MRT job

KUALA LUMPUR: TRC Synergy Bhd unit Trans Resources Corp Sdn Bhd has secured a new RM458.98mil job in the Klang Valley Mass Rapid Transit Sungai Buloh-Kajang line project.

The works comprised the construction and completion of the Sungai Buloh maintenance depot, an administration building, external works and other associated works for the project, the company said in a filing with Bursa Malaysia yesterday. — Bernama
