

Kimlun subsidiary gets RM48mil job

KUALA LUMPUR: Kimlun Corporation Bhd's wholly-owned subsidiary, SPC Industries Sdn Bhd, has secured a RM48.487mil contract to manufacture, supply and deliver precast tunnel segment linings (TLS) to the Mass Rapid Transit Klang Valley Sungai Buloh-Kajang line project.

The supply of TLS is expected to spread over 24 months, the company said in a filing to Bursa Malaysia. It does not foresee any exceptional risk other than operational risks associated with the supply contract.
