

Mudajaya, Gadang win jobs from MRT Corp

KUALA LUMPUR: Mudajaya Group Bhd and Gadang Holdings Bhd have received a letter of acceptance from Mass Rapid Transit Corp Sdn Bhd for jobs worth over RM800 million each.

In a filing to Bursa Malaysia yesterday, Mudajaya said that the project was for the construction and completion of a viaduct guideway and other related works from the Dataran Sunway Station to Section 17 in Petaling Jaya.

The company said that the works project is valued at over RM816.243 million and works are expected to be physically completed by February 2016.

In the meantime, Gadang Holdings would be involved in the construction of the same kind of viaduct guideway and other associated works from Kota Damansara Station to the Dataran Sunway Station.

The job is valued at over RM863.39 million.

These projects are expected to contribute positively to both companies' earnings moving forward
