

TSR Capital unit bags two MRT jobs

KUALA LUMPUR: TSR Capital Bhd through its wholly-owned subsidiary, TSR Bina Sdn Bhd, has received two contracts from Mass Rapid Transit Corporation Sdn Bhd, the concessionaire for the massive Mass Rapid Transit (MRT) project. It said the contracts are for work packages for the Klang Valley MRT line alignment between Sungai Buloh and Kajang costing RM330 million. The first contract is for the construction and completion of the Kajang Maintenance Depot, external and other associated works costing RM213 million. The second is for the construction and completion of a multi-storey car park, external and related works at the Sungai Buloh MRT station costing RM117 million.
