

TSR secures RM330m MRT jobs

PETALING JAYA: TSR Capital Bhd has won RM330 million worth of contracts from Mass Rapid Transit Corp Sdn Bhd for two work packages under the Klang Valley MRT project for the Sungai Buloh-Kajang alignment.

One is Package DPT2 to construct the

Kajang maintenance depot, external works and other associated works for RM213 million.

Another package, MSPR1, is for the construction of a multi-storey car park building, external works and other associated works at the Sungai Buloh station

for RM117 million.

In a filing with Bursa Malaysia yesterday, TSR Capital said the projects are expected to contribute positively to the earnings and net assets of the company from the financial year ending Dec 31, 2012.
