

# Naim unit nets RM208m MRT contract

**NAIM** Holdings Bhd's wholly-owned subsidiary, Naim Engineering Sdn Bhd has received a RM208 million contract from Mass Rapid Transit Corporation Sdn Bhd for the works packages under the Klang Valley Mass Rapid Transit (MRT) project. Naim Holdings said that Naim Engineering will undertake package S4 under the Sungai Buloh-Kajang MRT alignment, which involves the construction of elevated stations and related works at Section 16, Pusat Bandar Damansara and Semantan. The project is expected to contribute positively to the earnings of the firm for the financial year ending December 31 2012.
