

KLB named service provider for 2 companies

SHAH ALAM: Konsortium Logistik Bhd (KLB), has announced its recent appointment to the panel of total logistics service providers for Mass Rapid Transit Corp Sdn Bhd (MRT Corp) and Petronas Carigali Sdn Bhd via its wholly-owned subsidiary, Malaysia Shipping Agencies Sdn Bhd (MSA).

The appointment by MRT Corp will be for an initial period of two years with the option for renewal upon expiry.

MSA's appointment to Petronas' panel of three logistics companies will see it handling incoming shipments of materials and equipment from various parts of the world to fabrication sites nationwide.

KLB chief executive officer Datuk Che Azizuddin Che Ismail said: "We are pleased and excited with the appointments as they signify the recognition for the group as a leading logistics service provider, further boosting our efforts in becoming an end-to-end logistics business.

"The appointments would also improve our bottom line and take the company to even greater heights," he said at the group's Hari Raya get-together, here yesterday.
