

ROAD CONSTRUCTION

To facilitate MRT construction works, a stretch between Jalan Bukit Bintang and Jalan Sultan Ismail junction and Jalan Bulan-1, off Jalan Bukit Bintang, will be realigned for 16 months, beginning Oct 15. The temporary realignment is necessary for the construction of the MRT Bukit Bintang station. The works will not result in any lane reductions, as three lanes will be maintained at the work area. For details on the traffic diversion, visit www.mymrt.com.my or www.mymrt-underground.com.my, twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.
