

## ► **Gadang awards RM205m subcontract for MRT works to Naim Engineering**

NAIM Holdings Bhd's wholly-owned subsidiary, Naim Engineering Sdn Bhd, accepted a letter of award from Gadang Engineering (M) Sdn Bhd, to be a subcontractor to undertake the construction of elevated stations and associated works for the Mass Rapid Transit (MRT) project near PJU 5 and Dataran Sunway in Selangor. The contract is worth RM204.66 million, the Sarawak-based construction, engineering and property concern said in an exchange filing yesterday.
