

## MEDIA RELEASE

# TEMPORARY NIGHT LANE CLOSURES IN JALAN BUKIT BINTANG

**Kuala Lumpur, 25 February 2013:** Temporary night lane closures will be implemented in stages in Jalan Bukit Bintang to facilitate utility works between 26<sup>th</sup> February 2013 and 2<sup>nd</sup> March 2013.

The night lane closures will be implemented from 11:00pm to 5:00am involving two stretches located in front of the Royale Bintang Hotel and Speedmart 99, respectively, covering a 5-metre stretch each.

The utility works is an essential process in the construction of the Mass Rapid Transit (MRT) project. Motorists heading towards the Royale Bintang Hotel are advised to take the alternative access route via the junction at BB Park. Please see the appended map for the location of the night partial lane closures.

A flagman will be stationed at the junction before the underpass to direct the traffic flow. Safety barriers, hoardings and traffic cones will also be installed at the worksite to ensure road users and pedestrians are well-informed of on-going works. MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large.

The Sungai-Buloh Kajang Line will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.

For more information on the traffic diversion, the public can visit the MRT website at [www.kvmrt.com.my](http://www.kvmrt.com.my) or [www.mymrt-underground.com.my](http://www.mymrt-underground.com.my), twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.

-Ends-
