

MEDIA RELEASE

REALIGNMENT OF TRAFFIC AT MAAROF INTERCHANGE

Kuala Lumpur, 1 March 2013: Mass Rapid Transit Corporation (MRT Corp) wishes to announce the realignment of traffic lanes at the Maarof Interchange of the SPRINT Highway. This will take place from **2 March 2013 to 30 June 2013**. (Please see appended map.)

The realignment of traffic lanes is part of the traffic management plan for the Maarof Interchange, which has been implemented in stages since January 2013. This is to facilitate the construction of MRT piers for the future Pusat Bandar Damansara MRT station.

The realignment of traffic at the Maarof Interchange involves the following locations:

- **Lane closure at the U-Turn of SPRINT Highway (in front of Pusat Bandar Damansara open car park)**

Motorists exiting from the Pusat Bandar Damansara open car park heading towards Jalan Maarof will be diverted to Jalan Johar, going through the Pusat Bandar Damansara Complex and turning in front of HELP Residence and One Menerung.

- **Lane realignment at Maarof Interchange**

Traffic from SPRINT Highway (from Petaling Jaya) heading towards Jalan Maarof will be realigned to a new temporary lane. The number of lanes remains unaffected.

Safety barriers, traffic cones and traffic flagman will be at the work site to ensure road users are pre-warned of on-going works. In addition, a 24-hour MRT Ronda will be patrolling along the route to attend to any emergencies.

MRT Corp apologises for any inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large. For more information on traffic diversion, the public can visit the MRT website at www.mymrt.com.my or www.mymrt-underground.com.my, twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.

-Ends-
