ONE-NIGHT LANE CLOSURES IN BUKIT BINTANG TO FACILITATE UTILITY WORKS

Kuala Lumpur, 11 March 2013: Mass Rapid Transit Corporation (MRT Corp) wishes to announce lane closures in Bukit Bintang for one night, involving parts of Jalan Sultan Ismail and Jalan Changkat Bukit Bintang on **12 March 2013**.

These closures will involve a 50-metre stretch of the left-most lane of Jalan Sultan Ismail and the road located next to the KFC Restaurant in Jalan Changkat Bukit Bintang. The closures will take effect from **6:00pm till 6:00am**. Road users are advised to take the alternative route during the closures.

The closures are necessary to facilitate utility works in the area, which is an essential process in the construction of the future Bukit Bintang MRT underground station. The closures are shown in the map attached.

Safety barriers, hoardings and traffic cones will also be installed at the worksite to ensure road users and pedestrians are well-informed of on-going works. The Emergency Response Team (ERT) will be on standby to respond to any emergencies. MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large.

The Sungai Buloh-Kajang Line will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.

For more information on the traffic diversion, the public can visit the MRT website at www.kvmrt.com.my or www.mymrt-underground.com.my, twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.
