# TEMPORARY PARTIAL NIGHT LANE CLOSURES NEAR JALAN CHERAS

**Kuala Lumpur, 25 March 2013:** Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) wishes to announce temporary partial night lane closures, located near the Jalan Cheras and Jalan 1/91 Shamelin intersection between **26 March 2013 and 8 April 2013**. These closures are to facilitate road works and traffic light relocation in the area.

The night lane closures will be implemented in stages, involving one lane at a time, from **12:00 midnight to 5:00am**. Please see the appended map for details and locations of the night lane closures.

Motorists are advised to be alert of the works being undertaken in the area. The road works is an essential process in the construction of the future underground Maluri MRT station.

Safety barriers, hoardings and traffic cones will also be installed at the worksite to ensure road users and pedestrians are well-informed of on-going works. MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large.

The Sungai-Buloh Kajang Line will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.

For more information on the traffic diversion, the public can visit the MRT website at [www.kvmrt.com.my](http://www.kvmrt.com.my) or [www.mymrt-underground.com.my](http://www.mymrt-underground.com.my), twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.
