PARTIAL NIGHT CLOSURE AT SPRINT HIGHWAY BETWEEN JALAN SETIA PUSPA AND WISMA LENSA (KL-BOUND)

Kuala Lumpur, 18 April 2013: Mass Rapid Transit Corporation (MRT Corp) wishes to announce the partial night closure of the **right-most lane** at SPRINT Highway (KL-bound), for a period of eleven (11) days from **20 April 2013 to 30 April 2013, 10.00pm – 5.30am** daily. (Please see appended map.)

This closure along SPRINT Highway will be carried out in stages for 150 metres, at a stretch between the junction of Jalan Setia Puspa and Wisma Lensa. The closure is necessary to facilitate piloting works in preparation for the construction of MRT piers. Due to the works, an increased level of noise emission is expected.

This closure is a key part of our safety practice at all MRT construction sites, to ensure that any risk of public injury is minimised. Motorists are reminded to drive carefully near MRT worksites, and to follow directional signs. Safety barriers, hoardings and traffic cones will be installed at the worksites to ensure road users and pedestrians are well-informed of on-going works. In addition, a 24-hour MRT Ronda will be patrolling along the routes to attend to any emergencies.

MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large.

The Sungai-Buloh Kajang Line will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with Kuala Lumpur's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.

For more information on traffic announcements, the public can visit the MRT website at www.mymrt.com.my or www.mymrt-underground.com.my, twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.
