TEMPORARY PARTIAL NIGHT LANE CLOSURES AT JALAN CHERAS (NEAR MALURI LRT STATION)

Kuala Lumpur, 3 May 2013: Mass Rapid Transit Corporation (MRT Corp) wishes to announce temporary partial night lane closures at Jalan Cheras near the Maluri LRT station (both directions), from **7 May 2013 to 13 May 2013, from 12:00 midnight to 6:00am.**

The night closures, involving a 50-metre stretch, will be implemented in stages and is necessary to facilitate MRT construction works. The closures will affect one lane at a time, beginning from the right-most lane of the road heading towards Jalan Shamelin. Please see Map attached for the location of the lane closures.

The lane closures are a key part of our safety practice at all MRT construction sites. The closures will ensure that any risk of public injury is minimised. Motorists are reminded to drive carefully near MRT worksites, and to follow directional signs.

Safety barriers, hoardings and traffic cones will be installed at the work sites to ensure road users and pedestrians are well-informed of on-going works. In addition, a 24-hour MRT Ronda will be patrolling along the routes to attend to any emergencies.

MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large.

The Sungai-Buloh Kajang Line will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.
