TEMPORARY PARTIAL NIGHT LANE CLOSURE AT JALAN 16/11 (Next to SPRINT Highway)

Kuala Lumpur, 13 May 2013: Mass Rapid Transit Corporation (MRT Corp) wishes to announce a temporary partial night lane closure at Jalan 16/11 (next to SPRINT Highway, Petaling Jaya-bound), for two (2) months from **15 May 2013 to 12 July 2013, from 10:00pm to 5:30am daily.**

A 200-metre stretch will be closed between the traffic light junction at Jalan Dato' Abu Bakar and Pusat Dagangan Phileo Damansara to facilitate utility relocation works in front of the former BHP petrol station. (Please appended Map)

During the closure, motorists heading towards Petaling Jaya on Jalan 16/11 will be diverted to the left-most lane, up the ramp alongside Eastin Hotel before connecting back to the main road.

The closure is a key part of our safety practice at all MRT construction sites. It will ensure that any risk of public injury is minimised. Motorists are reminded to drive carefully near MRT worksites and to follow directional signs.

Safety barriers, hoardings and traffic cones will be installed at the work sites to ensure road users and pedestrians are well-informed of on-going works. In addition, a 24-hour MRT Ronda will be patrolling along the routes to attend to any emergencies.

MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large.

The Sungai-Buloh Kajang Line will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.

For more information on traffic diversion, the public can visit the MRT website at www.mymrt.com.my or www.mymrt-underground.com.my, twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.
