Kuala Lumpur, 27 May 2013: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) wishes to announce multiple partial night lane closures at Jalan Bukit Bintang (near Shell Petrol Station, LTAT building and Chulan Square) for a period of six months beginning 29 May 2013 to 30 November 2013, from 10:00pm to 5:00am daily.

The night lane closures will be implemented on different dates, according to the different stretches. These closures are to facilitate piloting and grouting works for the MRT project. Please refer to the map below.

Access through the areas will still be opened, with reduced number of lanes. Approval of these closures was obtained from the authorities.

MULTIPLE PARTIAL NIGHT LANE CLOSURES AT JALAN BUKIT BINTANG

The closures are a key part of our safety practice at all MRT construction sites. It will ensure that any risk of public injury is minimised. Motorists are reminded to drive carefully near MRT worksites and to follow directional signs.

Safety barriers, hoardings and traffic cones will be installed at the work sites to ensure road users and pedestrians are well-informed of on-going works. In addition, a 24-hour MRT Ronda will be patrolling along the routes to attend to any emergencies.

MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large.

The Sungai-Buloh Kajang Line will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.
