# EXTENSION OF TEMPORARY PARTIAL CLOSURE OF RIGHT-MOST LANE ON JALAN BUKIT BINTANG

**Kuala Lumpur, 24 June 2013:** Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) wishes to announce that the temporary partial closure of the right-most lane on Jalan Bukit Bintang, which was previously implemented from 10 June 2013 to 24 June 2013 is now extended for a period of **one week, to 1 July 2013**.

The affected stretch covering 140 metres is located between the junction of Jalan Bukit Bintang - Jalan Sultan Ismail and Jalan Changkat Bukit Bintang. *(Please see appended map.)*

### EXTENSION OF PARTIAL LANE CLOSURE AT JALAN BUKIT BINTANG

This one week extension is necessary as abandoned cables as deep as 5 metres and more have been found underground, while carrying out excavation works at the site to construct the diaphragm wall for the future Bukit Bintang MRT station.

Safety barriers, hoardings and traffic cones will be installed at the work sites to ensure road users and pedestrians are well-informed of on-going works. In addition, a 24-hour MRT Ronda will be patrolling along the routes to attend to any emergencies.

MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large.

The Sungai-Buloh Kajang Line will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.
