A TOTAL of 20 participants representing 20 companies have been selected to join the Young Graduates Entrepreneurship Programme launched by Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) recently.

Aimed at developing a pool of bumiputra entrepreneurs keen to venture into the construction industry, the programme will provide young graduates with the relevant knowledge on the role of contractors and subcontractors.

"The main objective of this programme is to nurture a pool of young bumiputra entrepreneurs who have the capability, skills and confidence to be a player in the construction sector," said MRT Corp chief executive officer Datuk Azhar Abdul Hamid.

"We have been involved in pro-

grammes similar to this one since 2009, and we are proud to be chosen by MRT Corp for the same aim as us.

The discussion for this programme was started early 2012 to explore business opportunities and training through this mega project for the young bumiputra graduates and MRT agreed in training the young graduates in the construction industry", Perbadanan Usahawan Nasional Bhd Chief Executive Officer Dzulkifli Fadzilah.

Also present at the event were the MMC Gamuda KVMRT Director Datuk Ir Hj Azmi Mat Nor. MMC Gamuda KVMRT Sdn Bhd is the Project Delivery Partner of the MRT project.

The programme will be a continuous project as part of MRT Corp's corporate social responsibility efforts.
