

MEDIA RELEASE

BLASTING WORKS AT MRT UNDERGROUND CONSTRUCTION SITE NEAR KAMPUNG PANDAN ROUNDBABOUT

Kuala Lumpur, 20 September 2013: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) wishes to announce that there will be blasting works carried out at the MRT underground escape shaft construction site near the Kampung Pandan roundabout. (Please see appended map.)

The blasting works will be carried out for six months from 23 September 2013 to 23 March 2014 on Mondays to Saturdays, between 9:00 am to 5:00 pm. It is limited to only once a day. No blasting works will be carried out on Sundays and public holidays.

Nearby stakeholders and the general public as well as motorists are reminded not to be alarmed of the works. The works will be carried out within the fully hoarded up construction area and will not affect those in nearby areas.

The blasting works are necessary to prepare the shaft for the Tunnel Boring Machines (TBM) to bore through underground.

For more information on the project, the public can visit the MRT website at www.mymrt.com.my or www.mymrt-underground.com.my, twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.
