

MEDIA RELEASE

TWO-NIGHT CLOSURE OF LEFT-MOST AND MIDDLE LANES OF SPRINT HIGHWAY (PJ-BOUND)

Kuala Lumpur, 26 December 2013: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) wishes to announce that there will be a temporary closure of the left-most and middle lanes of Sprint Highway (PJ-bound) for two (2) nights from 27 December 2013 to 28 December 2013, between 10:00pm to 6:00am.

The right-most lane will be available for motorists heading towards Petaling Jaya. *(Please refer appended map.)*

The closure is necessary to accommodate large construction machineries needed to facilitate steel truss work for the construction of the Pusat Bandar Damansara Station.

ENDS

About the MRT Project

MRT is a new rail transport system for the Klang Valley. It is part of the government's Greater Kuala Lumpur/Klang Valley's National Key Economic Area (NKEA), under the Economic Transformation Programme. The Sungai Buloh – Kajang (SBK) Line runs for 51kms, from the north-west town of Sg Buloh to the south-east city town of Kajang. Upon completion, it will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.

MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large. For more information on traffic diversion, the public can visit the MRT website at www.mymrt.com.my or www.mymrt-underground.com.my, twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.

Motorists are reminded to drive carefully near MRT worksites and to follow directional signs. Safety barriers, hoardings and traffic cones will be installed at the work sites to ensure road users and pedestrians are well-informed of on-going works. In addition, a 24-hour MRT Ronda will be patrolling along the routes to attend to any emergencies.
