

MEDIA RELEASE

NIGHT ROAD CLOSURE AT INTERSECTION BETWEEN EAST WEST LINK EXPRESSWAY AND JALAN CHERAS (KL- AND KAJANG-BOUND)

Kuala Lumpur, 12 March 2014: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) wishes to announce a **night road closure at the Intersection between East West Link Expressway and Jalan Cheras** on **14 March 2014 to 20 March 2014, between 10:30pm to 5:00am daily.** (Please see appended map.)

The night closure will affect both directions (Kuala Lumpur- and Kajang-bound) at this major intersection.

"This closure is for the installation of the steel truss bridge for the future MRT Plaza Phoenix Station," said MRT Corp Director of Strategic Communications and Public Relations, En Amir Mahmood Razak said.

"This closure is to ensure public safety and is implemented at night for minimum disruption to traffic flow," he added.

Motorists are advised to use the following alternative routes:

1. **Motorists from Taman Connaught (on East West Link) towards Kajang** will be diverted to make a U-turn at Jalan Cheras (near Leisure Mall).
2. **Motorists from Kuala Lumpur (on Jalan Cheras) towards Kajang** will be diverted to the slip road heading towards Taman Cheras Hartamas.
3. **Motorists from Kajang (on Cheras Kajang Highway) towards Taman Connaught** will be diverted to East West Link Expressway via Jalan Cheras.

Motorists from Kajang (on Cheras-Kajang Highway) towards Kuala Lumpur are not affected.

ENDS

About the MRT Project

MRT is a new rail transport system for the Klang Valley. It is part of the government's Greater Kuala Lumpur/Klang Valley's National Key Economic Area (NKEA), under the Economic Transformation Programme. The Sungai Buloh – Kajang (SBK) Line runs for 51kms, from the north-west town of Sg Buloh to the south-east city town of Kajang. Upon completion, it will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.

MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large. For more information on traffic diversion, the public can visit the MRT website at www.mymrt.com.my or www.mymrt-underground.com.my, twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.
