

MEDIA RELEASE

CONTINUATION OF CLOSURES OF SLIP ROAD AND U-TURN AT MA'AROF, BANGSAR

Kuala Lumpur, 26 April 2014: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) wishes to announce the closures of the slip road from Jalan Ma'arof to the Sprint Highway (Petaling Jaya-bound) and the U-turn (to return to Petaling Jaya) at Ma'arof Interchange will continue to be closed **from 28 April 2014 to 14 May 2014, 24 hours daily.**

Starting 15 May 2014 to 31 July 2014, both roads will then be opened to the public and will only be closed at night from 9:00pm to 5:00am, intermittently.

During this temporary closure, traffic from Jalan Ma'arof (from Bangsar) heading towards the Sprint Highway (Petaling Jaya-bound) will be diverted to Jalan Johar, going around Pusat Bandar Damansara Complex and back to the Sprint Highway. *(Please refer to appended map.)*

The continuation of the closure is necessary to facilitate steel truss works and the construction of piers and portal work.

ENDS

About the MRT Project

MRT is a new rail transport system for the Klang Valley. It is part of the government's Greater Kuala Lumpur/Klang Valley's National Key Economic Area (NKEA), under the Economic Transformation Programme. The Sungai Buloh – Kajang (SBK) Line runs for 51kms, from the north-west town of Sg Buloh to the south-east city town of Kajang. Upon completion, it will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.

MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large. Motorists are reminded to drive carefully near MRT worksites and to follow directional signs. Safety barriers, hoardings and traffic cones will be installed at the work sites to ensure road users and pedestrians are well-informed of on-going works. In addition, a 24-hour MRT Ronda will be patrolling along the routes to attend to any emergencies.

For more information on traffic diversion, the public can visit the MRT website at www.mymrt.com.my or www.mymrt-underground.com.my, twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.
