

MEDIA RELEASE

TEMPORARY PARTIAL LANE CLOSURE AT JALAN DAMANSARA (LDP HIGHWAY-BOUND)

Kuala Lumpur, 6 May 2014: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) wishes to announce that there will be a temporary partial lane closure at Jalan Damansara (LDP Highway-bound) starting from Taman Tun Dr Ismail Glomac for a short stretch of 200m from **9 May 2014 to 19 May 2014. On the weekdays, the closure will be implemented between 10:00pm and 6:00am, whereas on the weekends the closure will be implemented for 24 hours.**

During this closure period, three traffic lanes will be available for motorists, and traffic (entering/exiting) with Jalan Tun Mohd Fuad junction remain unaffected. *(Please see appended map.)*

This temporary lane closure is required to facilitate utilities relocation works for the construction of MRT piers and future MRT Taman Tun Dr Ismail station.

About the MRT Project

MRT is a new rail transport system for the Klang Valley. It is part of the government's Greater Kuala Lumpur/Klang Valley's National Key Economic Area (NKEA), under the Economic Transformation Programme. The Sungai Buloh – Kajang (SBK) Line runs for 51kms, from the north-west town of Sg Buloh to the south-east city town of Kajang. Upon completion, it will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.

MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large. Motorists are reminded to drive carefully near MRT worksites and to follow directional signs. Safety barriers, hoardings and traffic cones will be installed at the work sites to ensure road users and pedestrians are well-informed of on-going works. In addition, a 24-hour MRT Ronda will be patrolling along the routes to attend to any emergencies.

For more information on traffic diversion, the public can visit the MRT website at www.mymrt.com.my or www.mymrt-underground.com.my, twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.
