

MEDIA RELEASE

SHORT-TERM NIGHT TRAFFIC DIVERSION AT PERSIARAN SURIAN (SUNGAI BULOH-BOUND)

Kuala Lumpur, 21 May 2014: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) wishes to announce a short-term temporary night traffic diversion at Persiaran Surian near Tropicana Medical Centre and Persiaran Kenanga flyover (Sungai Buloh-bound) **starting 24 May 2014 until 31 May 2014, between 10:00pm and 5:00am daily.**

During this closure, motorists are advised to use the following alternative routes (*please refer to appended map*):

- **Motorists on Persiaran Surian (from LDP Highway) heading to Sungai Buloh and PLUS NKVE Highway (Kota Damansara Toll Plaza)**

Motorists will be diverted through Jalan Teknologi (at Tropicana Medical Centre) to join Persiaran Surian.

- **Motorists from PLUS NKVE Highway (Kota Damansara Toll Plaza) heading to Persiaran Surian (Sungai Buloh-bound)**

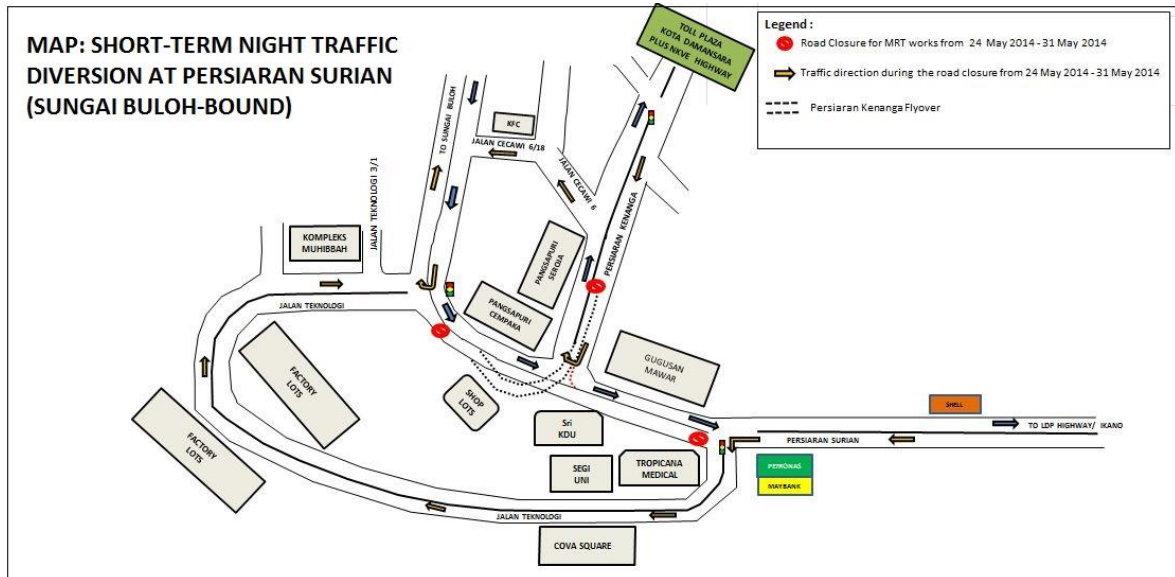

Access into the Persiaran Kenanga flyover will be closed. Motorists will be diverted as follows:

- a) Motorists continue straight to Persiaran Surian by turning left at the Persiaran Kenanga flyover, make a right turn at the junction of Jalan Teknologi (near Tropicana Medical Centre) and join back to Persiaran Surian (towards Sungai Buloh-bound).

OR

- b) Motorists will be diverted to make a U-turn underneath the Persiaran Kenanga flyover, turn left into Jalan Cecawi 6, another left into Jalan Cecawi 6/18, and join Persiaran Surian by making a U-turn at the junction of Jalan Teknologi;

Motorists heading to LDP Highway via Persiaran Surian remain unaffected during this period.

This temporary night traffic diversion is implemented to accommodate large construction machineries for the construction of the MRT guideway and MRT PJU 5 station.

ENDS

About the MRT Project

MRT is a new rail transport system for the Klang Valley. It is part of the government's Greater Kuala Lumpur/Klang Valley's National Key Economic Area (NKEA), under the Economic Transformation Programme. The Sungai Buloh – Kajang (SBK) Line runs for 51kms, from the north-west town of Sg Buloh to the south-east city town of Kajang. Upon completion, it will comprise 31 stations, and serve 1.2 million people along the route. It will also have strategic integration with KL's existing rail transport network, namely the LRT, Monorail and KTM Komuter, as well as intra and inter-city bus routes. The end result will be better connectivity for KL and its surrounding cities, while reducing the number of cars that enter the capital.

MRT Corp wishes to apologise for any temporary inconvenience caused to the public during the construction of this world-class public transport facility that will benefit Malaysians at large. Motorists are reminded to drive carefully near MRT worksites and to follow directional signs. Safety barriers, hoardings and traffic cones will be installed at the work sites to ensure road users and pedestrians are well-informed of on-going works. In addition, a 24-hour MRT Ronda will be patrolling along the routes to attend to any emergencies.

For more information on traffic diversion, the public can visit the MRT website at www.mymrt.com.my or www.mymrt-underground.com.my, twitter @MRTMalaysia or twitter @MyMRT Underground or call the MRT Hotline at 1-800-82-6868.
