| <b>Location</b> | Kerinci Link Flyover (Mon't Kiara-bound) |
| <b>Date</b>     | 11 June 2014 – 17 June 2014              |
| <b>Time</b>     | 24 hours                                 |
| <b>Duration</b> | 7 days                                   |
| <b>Reason</b>   | Construction of MRT piers                |

A trial lane narrowing will be implemented at the Kerinci Link Flyover (from KL towards Mon't Kiara-bound) from 11 June 2014 - 17 June 2014. This trial is intended to study the impact of the narrowing on the existing two traffic lanes. Subsequent to the success of the trial, a permanent narrowing for a stretch of 250m will take place for a period of one (1) month. This is necessary to facilitate pier head works for the MRT piers.

## 2. LONG-TERM CLOSURES AT JALAN 16/11 (Next to SPRINT HIGHWAY, PJ-BOUND)

13 JUNE 2014 - 31 DECEMBER 2014

| <b>Location</b> | Jalan 16/11, Petaling Jaya                                     |
| <b>Date</b>     | 13 June 2014 – 31 December 2014                                |
| <b>Time</b>     | One lane closure ( 6am – 10pm), Full road closure (10pm – 6am) |
| <b>Duration</b> | 202 days                                                       |
| <b>Reason</b>   | Construction of link bridge                                    |

Jalan 16/11 (next to SPRINT highway, PJ-bound) will undergo a long-term closure in stages, starting **13 June 2014 until 30 December 2014**.

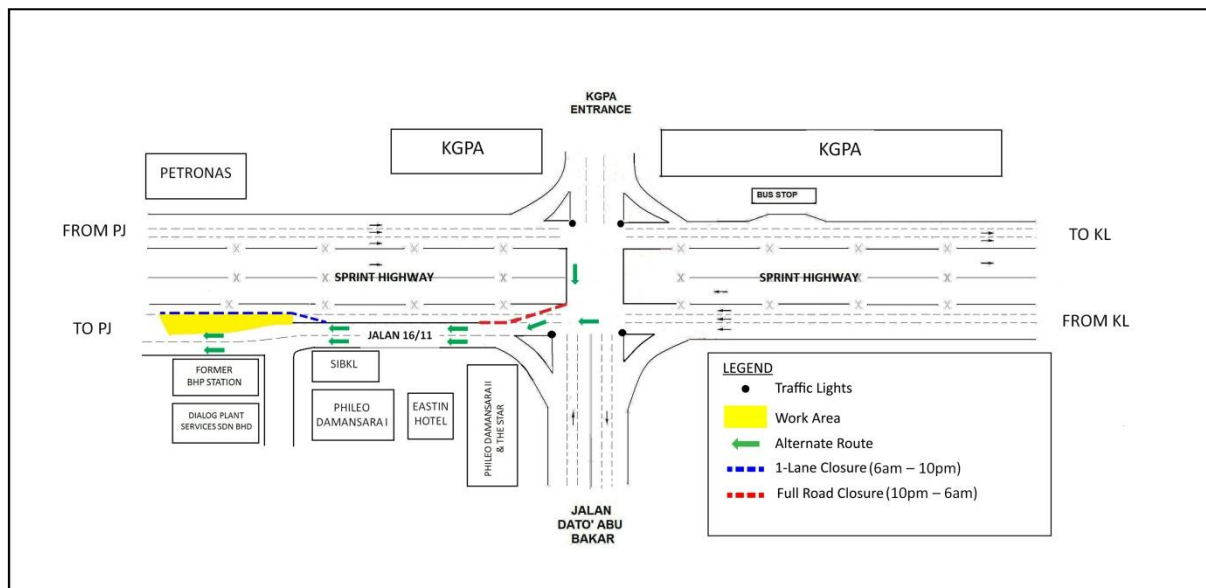

### Stage 1:

- One lane closure (left-most lane) at Jalan 16/11 (in front of former BHP Petrol Station) will be closed from 6am until 10pm, daily. One lane will be made available for motorists heading to Petaling Jaya.

### Stage 2:

- Full road closure at Jalan 16/11 (at Jalan Dato' Abu Bakar traffic light junction and Pusat Phileo Damansara) from 10pm until 6am, daily.  
During the full closure, motorists heading toward Petaling Jaya on Jalan 16/11 will be diverted to the left-most lane, up the ramp alongside Eastin Hotel before connecting back to main road.

The closure is necessary to facilitate bored pile, pile cap, piers and portal work prior to the construction of the link bridge for the future MRT Section 16 station.
