Following the successful three-day trial lane closure at Cheras-Kajang Highway (Kajang & Kuala Lumpur-bound) on 5th June 2014, this 400m stretch will be closed **from 25 June 2014 to 25 October 2014 for 24 hours**. The closure stretch is between KM14.5 to KM14.9 (near Exit 704 Bandar Tun Hussein Onn Interchange for KL-bound, and near Exit 703 Telekom Interchange for Kajang-bound). During this closure period, three traffic lanes will be available for motorists at both KL- and Kajang-bound

The closure is necessary to facilitate preparation for the construction of MRT piers at both sides of the highway, and 120m special crossing that goes across the highway. The closure involves comprehensive traffic management plan that has been studied by Grand Saga Highway, and Lembaga Lebuhraya Malaysia (LLM) to ensure minimal disruption to traffic.
