

TRAFFIC ANNOUNCEMENT
TRIAL NIGHT TRAFFIC MANAGEMENT PLAN AT SPRINT HIGHWAY (KL & PJ-BOUND)
13 OCTOBER 2014

Date	15 Oct 2014 – 16 Oct 2014
Time	9:00pm to 6:00am
Duration	2 days
Reason	To facilitate portal construction works located at the median SPRINT Highway

A night traffic management plan on a **trial basis** will be implemented at SPRINT Highway from **15 October 2014 to 16 October 2014**.

During the trial closure, there will be a night full road closure at SPRINT Highway (KL-bound) from the Kiara Interchange until the Jalan Setiapuspa junction near Victoria Station Restaurant.

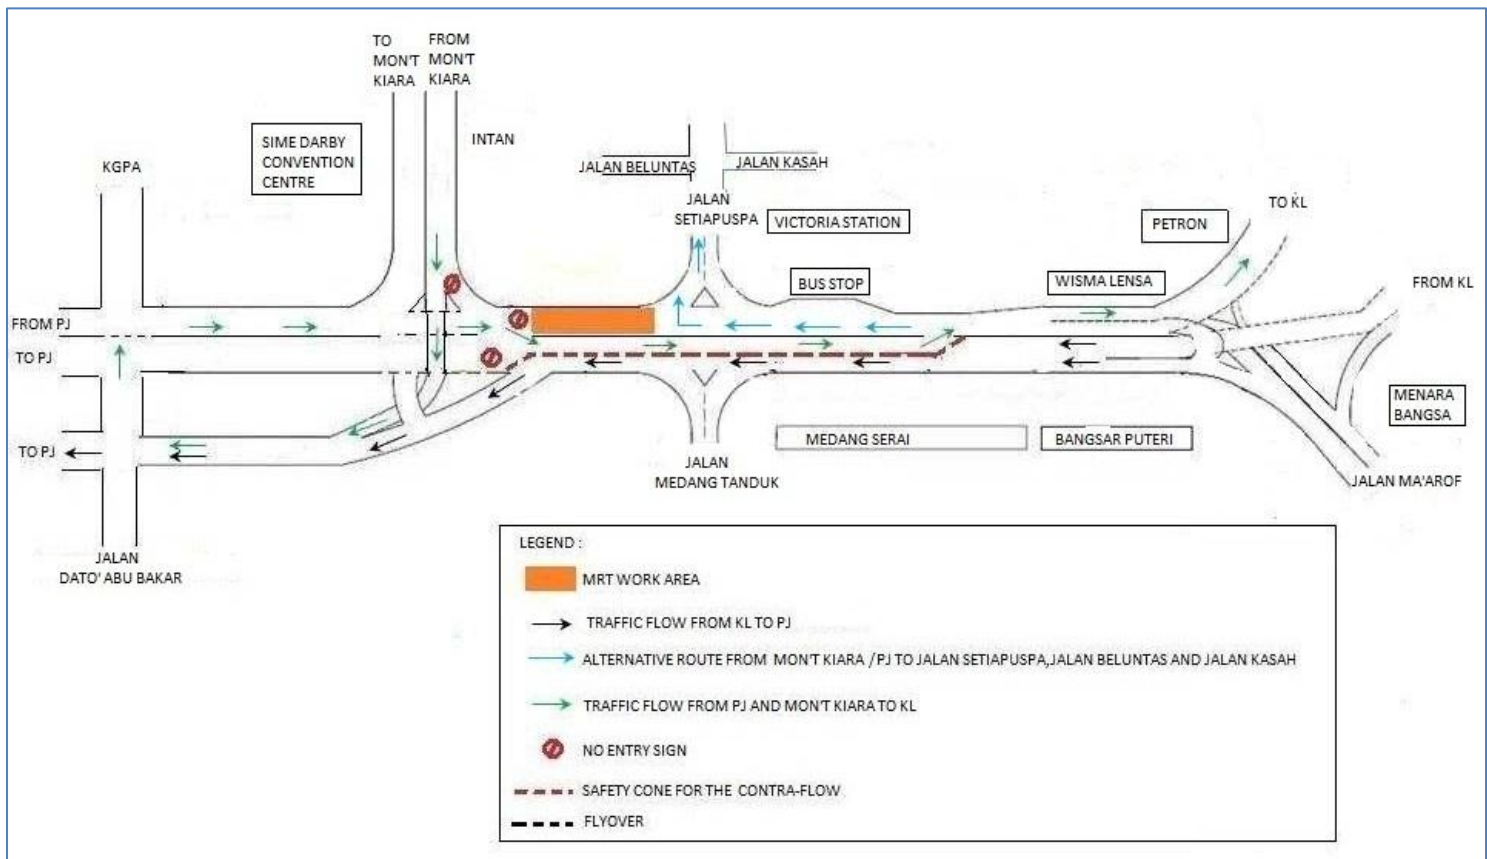

As a result of this closure, a **contra-flow will be implemented for motorists from PJ to KL where they will be diverted to the opposite side of the road** (*please refer to the **Green** arrow in the appended map*). One traffic lane will be made available for both PJ and KL-bound.

Motorists from KL to PJ will be diverted to the toll-free road heading to Jalan Dato' Abu Bakar and PJ (*please refer to the **Black** arrow in the appended*).

Those from Mont' Kiara headed to KL will also be diverted to the toll-free road in the direction of PJ where they will have to make a U-turn at the Section 16 Interchange at Jalan Dato' Abu Bakar and join the SPRINT Highway to head to KL (*please refer to the **Green** arrow in the appended map*).

As a result of the contra-flow, motorists accessing Jalan Setiapuspa, Jalan Kasah and Jalan Beluntas will be able to make a left-turn at the break of the divider at the end of the contra-flow. (*Please refer to **Blue** arrow in the appended map*).

Motorists from Kuala Lumpur headed to Mont'Kiara, and from Jalan Setiapuspa heading to KL will not be affected. Motorists are also encouraged to used alternative roads to avoid the affected roads in this area. MMC-Gamuda and the work package contractor Sunway Construction Sdn Bhd will be monitoring traffic follow during the trial. If the trial is successful, the closure will be implemented until 5 December 2014.
