KUALA LUMPUR, 18 NOVEMBER 2014: MMC Gamuda KVMRT (T) Sdn Bhd (MGKT) wishes to announce night road closures along Jalan Damansara (City-bound) in front of Muzium Negara for two nights on **20 November 2014 and 23 November 2014 respectively, from 12 midnight till 5am.**

The temporary night road closures, involving three lanes (City-bound) is necessary to facilitate mobilisation of heavy machinery for the MRT Underground construction works at the Muzium Negara station.

A contraflow will be provided during the closure for vehicle heading towards the city centre by diverting them towards the opposite road. Please see map below on the location of the closure and contraflow.

The closure is a key part of our safety practice at all MRT construction sites. It will ensure that any risk of public injury is minimised.
