New CEO to ensure smooth MRT construction

Shahril Mokhtar has assumed the post of chief executive officer (CEO) of Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) today.

Shahril, the former group managing director of Syarikat Prasarana Malaysia Bhd, takes over from Azhar Abdul Hamid, who resigned last year.

In a statement here today, the company said after a meeting with the management team, Shahril called on MRT Corp chairperson Ali Hamsa as part of his duties on the first day as CEO.

Shahril said his main focus will be to ensure the momentum that has brought about good progress for the MRT Sungai Buloh-Kajang Line, which stood at 57.62% as at Dec 15 last year, is maintained.

“As we ensure the construction of the MRT Sungai Buloh-Kajang Line proceeds smoothly, MRT Corp is also in the midst of preparing to start the process to develop the MRT Sungai Buloh-Serdang-Putrajaya Line.

“I understand that the public display of the railway scheme for the MRT Sungai Buloh-Serdang-Putrajaya Line is expected to commence in March,” he added
