

TRAFFIC ANNOUNCEMENT
ONE DAY TRIAL ROAD CLOSURE OF PERSIARAN BANDAR UTAMA
(ALONG LDP HIGHWAY)
21 JANUARY 2015

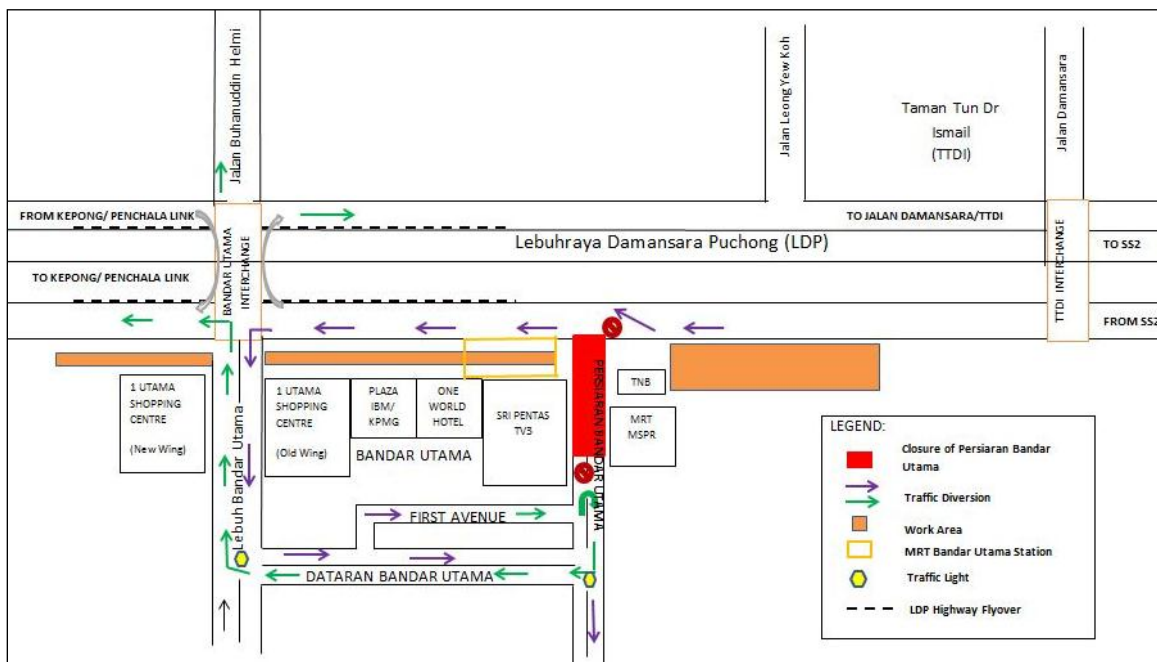

Date	26 January 2015 – 27 January 2015
Time	12.01 am on 26 January 2015 to 12.01 am on 27 January 2015
Duration	24 hours
Reason	To facilitate preparation works for launching of segmental box girders across Persiaran Bandar Utama

There will be a one-day trial road closure of Persiaran Bandar Utama at the intersection with LDP Highway from **26 January 2015 – 27 January 2015**. Both bounds entering and exiting Persiaran Bandar Utama will be affected. This full road closure is necessary to facilitate preparation works for the launching of Segmental Box Girders (SBGs) across Persiaran Bandar Utama which forms the elevated MRT guideway.

The road closure is to enable the highway authorities to study its impact on the traffic flow along Persiaran Bandar Utama as the actual launching of SBGs across this major road is scheduled to take place in February 2015. During the one-day closure, alternative routes are available to avoid traffic congestion at peak hours (please see map appended below). The following diversions will take place:

(**→**) **Motorists from LDP Highway (Kepong-bound) wanting to turn into Persiaran Bandar Utama:**
 Will be diverted to drive 150m ahead and turn left into Lebuhraya Damansara Puchong (LDP) where they can access the Bandar Utama area via the internal road system.

(**→**) **Motorists wanting to exit to the LDP Highway by using Persiaran Bandar Utama:**
 Will be diverted to use the internal road system and exit via Lebuhraya Damansara Puchong (LDP).

We apologise for the temporary inconvenience to road users during this period and will ensure traffic diversion signs, safety barriers, traffic cones and flagmen are in place to ensure road users are pre-warned of the closure and on-going works. Your kind understanding and patience are much appreciated as we build the MRT for our future betterment in improving KL's public transport system.
