There will be an implementation of a medium term closure in the vicinity of the TTDI Interchange from **20 October 2015 to 20 November 2015**. This medium-term traffic management plan will involve the closure of the U-turn to TTDI as well as the closure of the access road to Jalan Damansara from SS2 and will be done **INTERMITTENTLY** (please see the appended map).

During the closure, the following diversions will take place:

(  ) **Motorists on Jalan Damansara wanting to take a U-turn to access TTDI:**

Turn right earlier at the Jalan Tun Mohd Fuad traffic light junction and use Jalan Datuk Sulaiman and Jalan Leong Yew Koh.

(  ) **Motorists from SS2 wanting to turn right into Jalan Damansara (KL/ SPRINT Highway-bound):**  
Motorists will be diverted to take the flyover and do a U-turn at the Bandar Utama interchange or a U-turn at the Damansara Perdana Interchange (should the earlier U-turn be closed for the Bandar Utama station works).

*\*Motorists are to be reminded of the bound closure which is currently taking place on the flyover at the TTDI Interchange until **31 December 2015 from 12 midnight to 6:00am, INTERMITTENTLY**. However, during this closure only the left lane of both bounds of the flyover (SS2-bound and Kepong Bound) will be implemented.*
