

LONG-TERM TRAFFIC MANAGEMENT PLAN INVOLVING ROAD REALIGNMENT ON JALAN DAMANSARA

Location	Jalan Damansara, in front of Muzium Negara (Kuala Lumpur bound)
Date	23 December 2015 – 30 April 2016
Time	24 hours daily
Reason	Muzium Negara Station Construction

KUALA LUMPUR, 18 December 2015: MMC Gamuda KVMRT (T) Sdn Bhd wishes to announce the implementation of a long-term traffic management plan involving road realignment on Jalan Damansara, in front of Muzium Negara beginning **23 December 2015 till 30 April 2016.**

The road realignment, involving three lanes (Kuala Lumpur-bound) will be realigned towards the right side of the road. Please see the map below for the road realignment.

The road realignment is necessary to facilitate the construction work for Muzium Negara Station and it is part of our traffic management plan to ensure that the traffic flow along the busy road of Jalan Damansara area is not severely impacted by the works being carried out.

During the implementation, an efficient traffic management plan will be implemented to ensure minimum inconvenience to road users and pedestrians. Motorists are reminded to drive carefully near MRT worksites and to follow directional signs.

Safety barriers, and traffic cones will be installed at the work sites to ensure road users and pedestrians are well-informed of on-going works. In addition, a 24-hour MRT Ronda will be patrolling along the route to attend to any emergencies. MGKT wishes to apologise for the inconvenience caused.
