FLASH FLOOD NEAR JALAN TUANKU ABDUL HALIM NOT CAUSED BY MRT PROJECT

Kuala Lumpur, 13 May 2016 –MMC Gamuda KVMRT (PDP) Sdn Bhd, the Project Delivery Partner of the Mass Rapid Transit (MRT) project wishes to clarify that the flash flood that occurred near Jalan Tuanku Abdul Halim yesterday evening was not related to the MRT construction.

Investigations conducted revealed that the incident was not caused by nor related to the construction of the MRT Sungai Buloh-Kajang Line.

We wish to point out that the current construction activities at MRT Jalan Tunku Halim worksite are carried out on the MRT elevated viaduct such as the train systems and signalling works. Meanwhile, the ground activities such as civil works and permanent drainage have been completed and are continuously well-maintained.

MMC Gamuda KVMRT (PDP) Sdn Bhd will continue to work hand-in-hand with its Work Package Contractors to provide support to the public along the Sungai Buloh-Kajang (SBK) MRT alignment during this rainy season.
