PUBLIC ANNOUNCEMENT TESTING ALONG MRT SUNGAI BULOH-KAJANG ALIGNMENT

Petaling Jaya, 7 September 2016: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) is currently conducting Public Announcement testing on the Phase One section of the MRT Sungai Buloh-Kajang (SBK) Line involving elevated stations from Sungai Buloh to Semantan until 30 September 2016 between 8:00AM-8:00PM, daily.

The Public Announcement testing is being conducted to ensure the operability of the amplifiers and speakers, thus creating a safer and steadfast commuting experience for the future MRT users. These tests are expected to complete in time for the trial operations in October 2016. Concurrently, other system components including public information displays, platform screen doors, ticket machines and Closed-circuit Television (CCTV) are also being tested at the respective stations.

The first phase of operations of the MRT SBK Line is expected to be operational in mid-December 2016, and the second phase by July 2017, where the entire line will become operational.

MRT Corp will take the utmost precautions to minimise impact and inconvenience to the nearby stakeholders and residents during these testing works.

For further information or inquiries on the testing, please contact the MRT Hotline at **1800-82-6868** or e-mail feedback@mymrt.com.my
