## ONE-NIGHT PARTIAL LANE CLOSURE ALONG JALAN SULTAN AZLAN SHAH

We wish to announce that there will be a one-night partial lane closure on Jalan Sultan Azlan Shah/Jalan Ipoh (Segambut-bound) on **31 October 2016**.

The closure, affecting all 3 lanes (with the distance of about 50 meters), will be implemented in stages between **11:00 pm and 6:00 am**, with at least one lane open for traffic at any one time. The closure is necessary to enable us to install interlocking paver blocks on the said road.

Please see the map behind this notice for the location of the closure.

Motorists are advised to follow the directional signage and during the closure, the MRT Project Emergency Response Team will be deployed to help direct traffic. Safety barriers, traffic cones and flagmen will be on site to ensure the safety of road users.
