MRT SSP Line Project Construction Activities at KTM Kampung Batu Station (15 January 2017 - 11 March 2017)

Please be informed that the KVMRT SSP Line construction works will be commencing at KTM Kampung Batu Station starting from **11 January 2017 until 11 March 2017**. The following are the construction activities that will be conducted:

- Piloting
- Soil investigation
- Any other related work

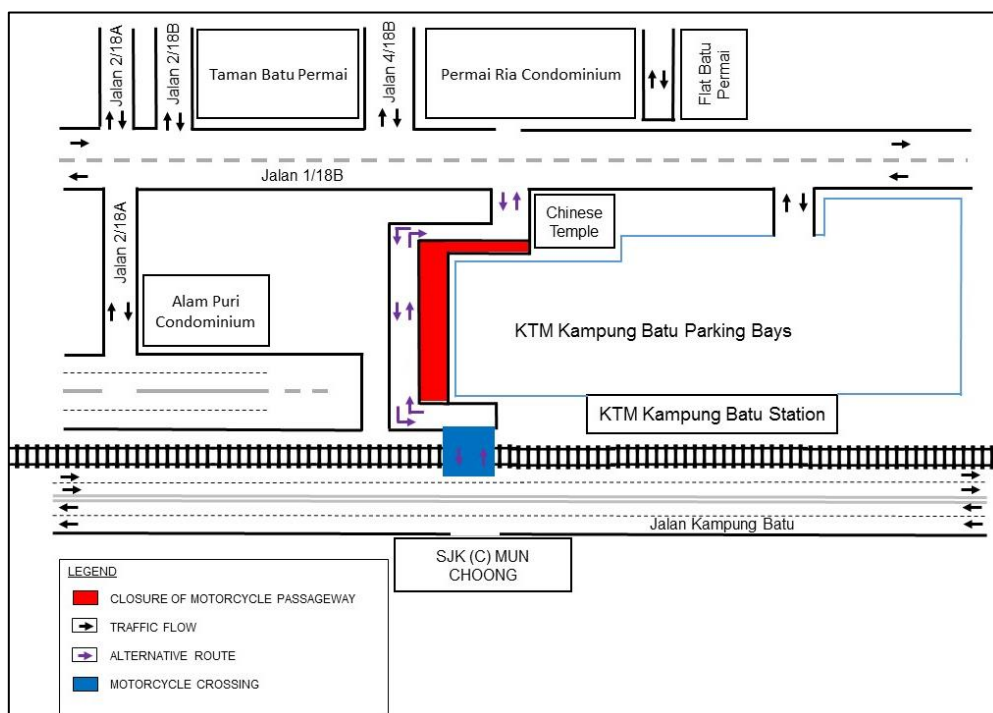

Works Duration:

- 11 January 2017 - 11 March 2017
- Monday – Saturday
- (7am - 7pm) working hours
- (10pm - 6am) certain construction activities that require night works

To facilitate the construction works, there will be closure of motorcycle passageway which currently leading to the motorcycle crossing across KTM Kampung Batu track.

During the closure, an alternative passageway located just next to the closed passageway will be provided for motorist to cross the KTM Kampung Batu track.

Proper signage will be at place to divert the motorist to the alternative route.

We apologise for any inconvenience caused during this period. Your kind understanding and patience is much appreciated as we are building the MRT SSP Line for our future and to improve KL's public transportation system.
