MRT SSP Line Project Construction Activities Along Jalan Kampung Batu (behind JW Battery Sdn Bhd)
(30 September 2017 - 07 December 2017)

Please be informed that the KVMRT SSP Line construction works will be commencing along Jalan Kampung Batu behind JW Battery Sdn Bhd starting **30 September 2017 until 07 December 2017**. The following are the construction activities that will be conducted:

- Site clearing
- Sheet piling
- Platform preparation
- Site access
- Any other related works

To facilitate the above-mentioned works, the internal road along Jalan Kampung Batu behind JW Battery Sdn Bhd will be closed **24-hours, intermittently** for a stretch of 50 meters during this period.

Below is the map for further reference on the construction works as mentioned above:

We apologise for any inconvenience caused during this period. Your kind understanding and patience is much appreciated as we are building the MRT SSP Line for our future and to improve KL's public transportation system.
