

# Sunway Construction clinches 2nd viaduct job

**KUALA LUMPUR** — Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) awarded a second viaduct project to Sunway Construction Sdn Bhd for the construction of the MRT Sungai Buloh-Serdang-Putrajaya (SSP) Line.

Under the work package, the contractor will construct and complete the viaduct guideway and other associated works for a 4.9km stretch of the SSP Line's elevated alignment from Sungai Buloh to Persiaran Dagang.

The contract sum is RM1.21 billion.

The award was made following a One Stop Procurement Committee meeting chaired by Prime Minister Datuk Seri Najib Razak.

This is the second viaduct work package to be awarded for the construction of the SSP Line after the award for work package V202 last week to Ahmad Zaki Sdn Bhd. Both contractors will very soon be clearing their sites and mobilising machinery to begin construction work.

Sunway Construction is currently the work package contractor for Package V4 of the MRT Sungai Buloh-Kajang Line. On that basis, the company was pre-qualified to tender for additional work packages for the MRT Sungai Buloh-Serdang-Putrajaya Line.
