### PROJEK MASS RAPID TRANSIT LALUAN 2 : SUNGAI BULOH – SERDANG – PUTRAJAYA (SSP)

#### Continuation of MRT SSP Line Project Construction Activities At Putrajaya Sentral (01 June 2017 – 31 August 2017)

Please be informed that the KVMRT SSP Line construction works will continue at Putrajaya Sentral from **01 June 2017** onwards. The following are the construction activities that will be conducted:

- Site clearing
- Tree cutting
- Soil investigation
- Piloting
- Installation of construction road curb
- Cabling
- All other related works

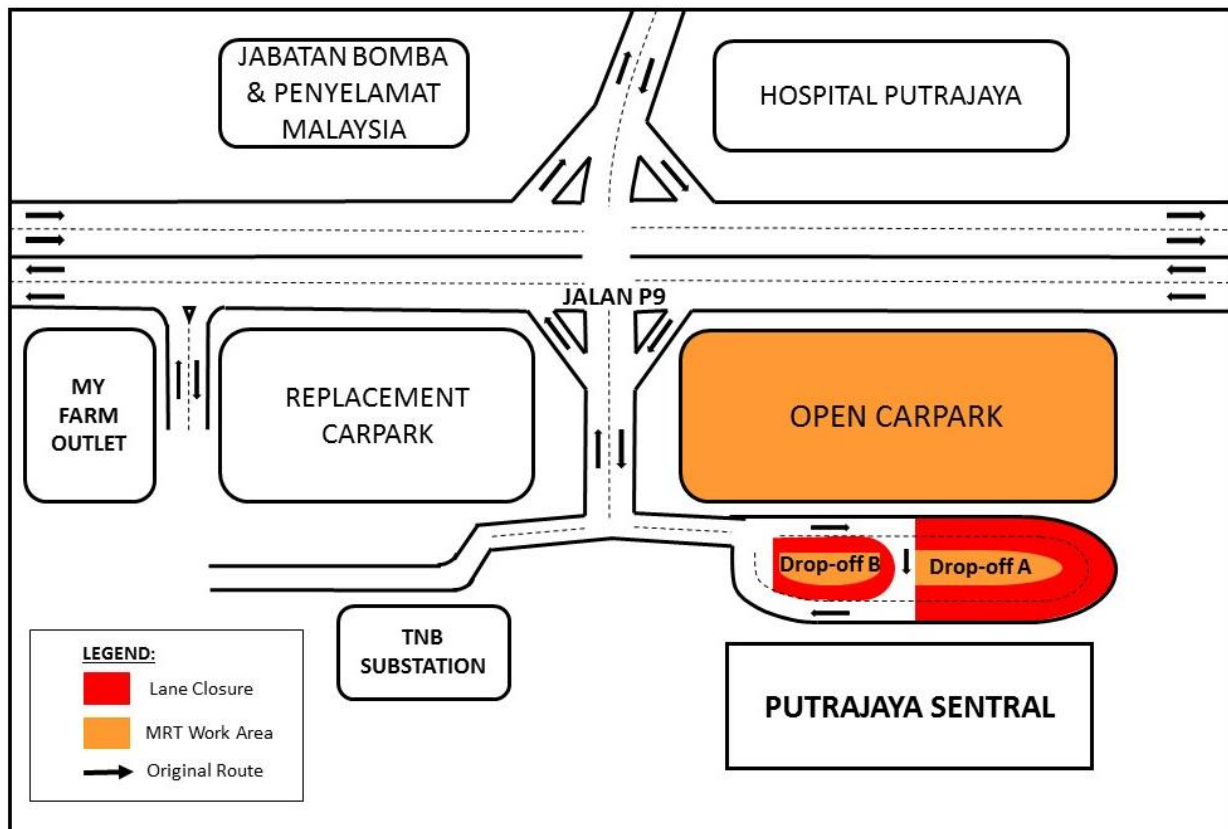

#### Works Duration:

- 01 June 2017 – 31 August 2017
- Monday – Saturday
- 9:00am to 10:00pm

**Closures of Drop-off Area:** To facilitate our construction works, there will be continuation of closures at drop-off A and right lane along drop-off B from 1 June 2017 onward. During these closures, the left lane along drop-off B will be made available for passenger drop-off.

**Closures of Parking Bays:** Meanwhile, the open carpark will be permanently closed (as indicated in the below map) from 1 June 2017 onwards to facilitate the construction of covered walkway and passenger drop-off. Alternatively, the replacement parking bays located next to MyFarm will be opened for public usage.

Refer to the map behind for further details:

We apologise for any inconvenience caused during this period. Your kind understanding and patience is much appreciated as we are building the MRT SSP Line for our future and to improve KL's public transportation system.
