

MEDIA RELEASE
TRAFFIC MANAGEMENT PLAN FOR THE MRT CONSTRUCTION WORK
AT LEBUH BANDAR UTAMA AND JALAN BURHANUDDIN HELMI
(LDP HIGHWAY- & KEPONG-BOUND)
10 DECEMBER 2014

Date	11 Dec 2014 to 31 March 2015
Time	12 Midnight - 6:00am (Mon-Fri) 12 Midnight - 8:00am (Sat & Sun)
Duration	114 nights
Reason	Mobilisation of heavy construction vehicles, launching of Segmental Box Girder (SBGs) for special span at Lebuhraya Bandar Utama for the future MRT Bandar Utama Station.

Petaling Jaya, 10 December 2014 - A medium term night Traffic Management Plan (TMP) involving lane closures at Lebuhraya Bandar Utama and Persiaran Bandar Utama (LDP Highway- and Kepong bound) will be implemented on **11 December 2014 - 31 March 2015** from **12 midnight to 6:00am (Mon-Fri) and from 12 midnight to 8:00am (Sat & Sun)**. The closures, however, **will not be in place** during the Christmas week between 22 December 2014 and 26 December 2014, and the New Year Eve on 31 December 2014

The night closures are to facilitate the mobilisation of heavy construction vehicle and launching of Segmental Box Girder (SBGs) for a special span at Lebuhraya Bandar Utama for the future Bandar Utama MRT Station.

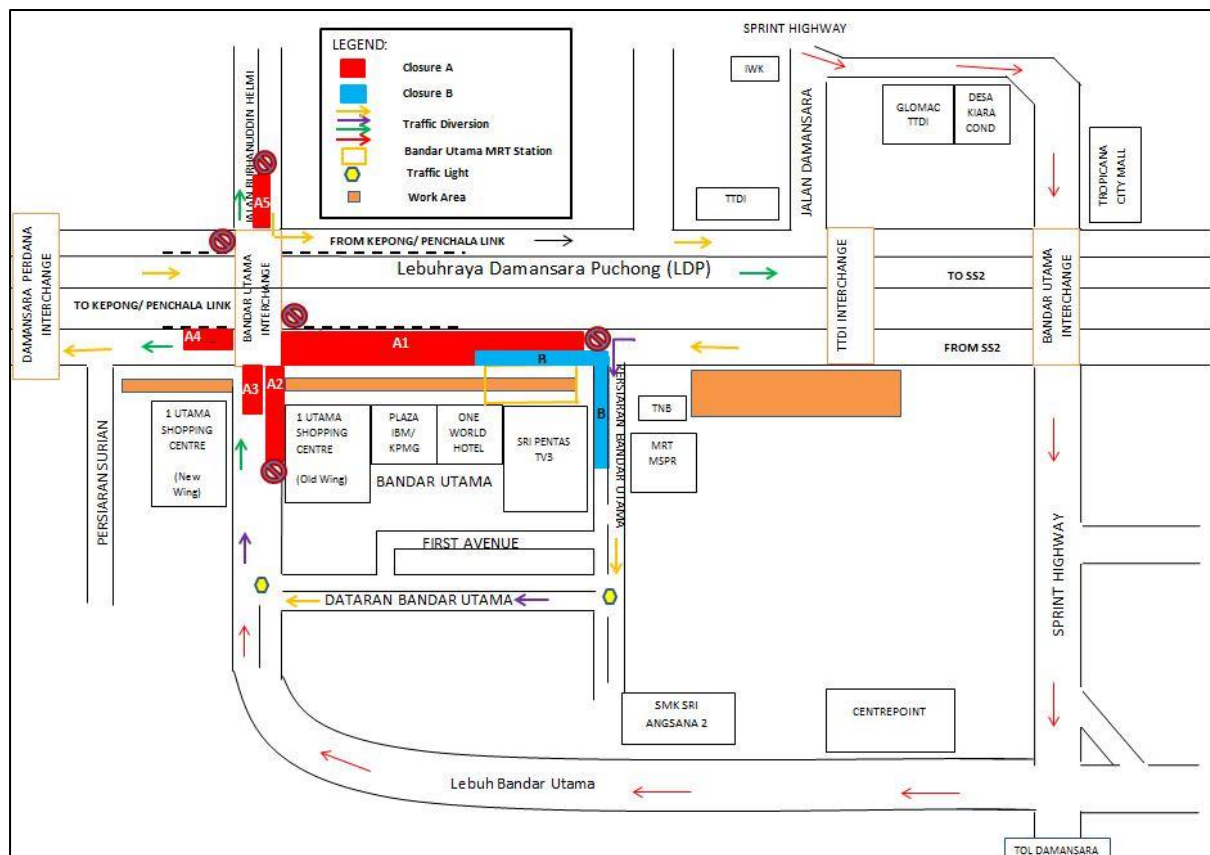

“The launching of Segmental Box Girders for a special span requires a deployment of large and heavy machineries, thus, ample space is needed to accommodate such work. The full road closure is necessary to ensure public safety. To minimise inconvenience, this closure will only be done at night after traffic peak hours. In addition, we are working closely with the local authority and nearby shopping malls to ensure the TMP is implemented efficiently,” explains En. Adil Putra Ahmad, Deputy Construction Director of MMC-Gamuda, the Project Delivery Partner for the MRT Project.

The closures will be segmented into five (5) parts (as indicated in **RED** in Maps Closure A).

- **A1: Full road closure along LDP Highway (Kepong-bound) from Persiaran Bandar Utama junction to Lebuhraya Bandar Utama junction** for a stretch of 500m (including U-turn to SS2).
- **A2: Road closure from traffic light junction of Bandar Utama Interchange to go into Lebuhraya Bandar Utama and 1 Utama (Old Wing)** for a 150m stretch.
- **A3: Partial road closure along Lebuhraya Bandar Utama next to 1 Utama (New Wing)** for a stretch of 100m.
- **A4: Partial-lane closure along LDP Highway (Kepong-bound)** in front of 1U New Wing (including U-turn to Kepong).
- **A5: Partial-road closure along Jalan Burhanuddin Helmi turning into LDP Highway (Kepong-bound) and Lebuhraya Bandar Utama.**

During this night closure, the following diversions will take place:

- (→) **Motorists from SS2/Jalan Damansara wanting to turn into Lebuhraya Bandar Utama**
To be diverted to turn left into Persiaran Bandar Utama and take right turn after the traffic light to Dataran Bandar Utama before heading to Lebuhraya Bandar Utama.
- (→) **Motorists on Lebuhraya Bandar Utama wanting to access Jalan Burhanuddin Helmi or Jalan Leong Yew Koh/Jalan Damansara/SS2**
To turn left at the junction of Lebuhraya Bandar Utama and LDP Highway (Kepong-bound). Head towards the Damansara Perdana Interchange to make a U-turn to access Jalan Burhanuddin Helmi or Jalan Long Yew Koh/Jalan Damansara/SS2.
- (→) **Motorists from Kepong or Jalan Burhanuddin Helmi wanting to go to Lebuhraya Bandar Utama/ Kepong**
To be diverted to turn left onto LDP-Highway (SS2-bound) and make a U-turn at the TTDI Interchange. Motorists wanting to access Lebuhraya Bandar Utama will turn left into Persiaran Bandar Utama while those heading Kepong-bound will take the flyover. *If the slip road to make U-turn at TTDI Interchange is closed, proceed to Damansara Utama Interchange to make U-turn.*
- (→) **Motorists from the Sprint Highway intending to go to Bandar Utama** may also continue to travel on the Sprint Highway (E23) and approach One Utama from the southern entry i.e. Lebuhraya Bandar Utama.
