MRT CORP BUILDS PARK AT KAMPUNG SELAMAT, SUNGAI BULOH

Kuala Lumpur, 6 February 2018: The Taman Linear Kampung Selamat which was built by Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) as part of its Corporate Social Responsibility programme is now officially open.

The park is located next to the Kampung Selamat MRT Station in Sungai Buloh.

The 600-square-metre park is located on reserve land owned by Syarikat Bekalan Air Selangor Sdn Bhd was used as a construction site for the MRT Sungai Buloh-Kajang (SBK) Line. The cost of constructing the park was about RM500,000.

A simple ceremony was held to open the park was held on 27 January 2018.

At the same time, the park was handed over to Petaling Jaya City Council (MBPJ), making the council the owner and the party responsible for the maintenance of the park.

MRT Corp was represented at the ceremony by its Strategic Communications and Stakeholder Relations Director Dato' Najmuddin Abdullah while Landscaping Head Puan Zuraidah Sainan represented MBPJ.

Also present at the ceremony were Kampung Selamat representative Encik Ramli Yahya, MBPJ representative Encik Nor Azmi Abdul Kadir, MMC-Gamuda KVMRT (PDP) Sdn Bhd Director Encik Maslan Othman, SYABAS Distribution Operations Deputy Head Encik Yusof Saroji and Eco Design Collaboration Sdn Bhd Director Encik Fathullah Mohd Nor.

MMC Gamuda was the Project Delivery Partner of the SBK Line while Eco Design was the consultant for the construction of the park.

Najmuddin said: "I am happy to fulfil the responsibility of MRT Corp to give back to the community. Building facilities such as parks for individuals along the MRT alignment will prove to be beneficial for their well-being."

Speaking at the ceremony, Kampung Selamat representative Encik Ramli Yahya said that he was hopeful that the park will be beneficial for those staying in the area.

"The initiative that MRT Corp had presented to our community is invaluable and that this park will not only act as a park for those to exercise, but also a walkway to get to the station," he said.
