MRT SSP Line Project Construction Activities along Jalan Kampung Batu (15 March 2018 - 15 March 2020)

Please be informed that the KVMRT SSP Line construction activities will be commencing along Jalan Kampung Batu, beside KTM Kampung Batu starting from **15 March 2018 until 15 March 2020**. The following are the construction activities that will be conducted:

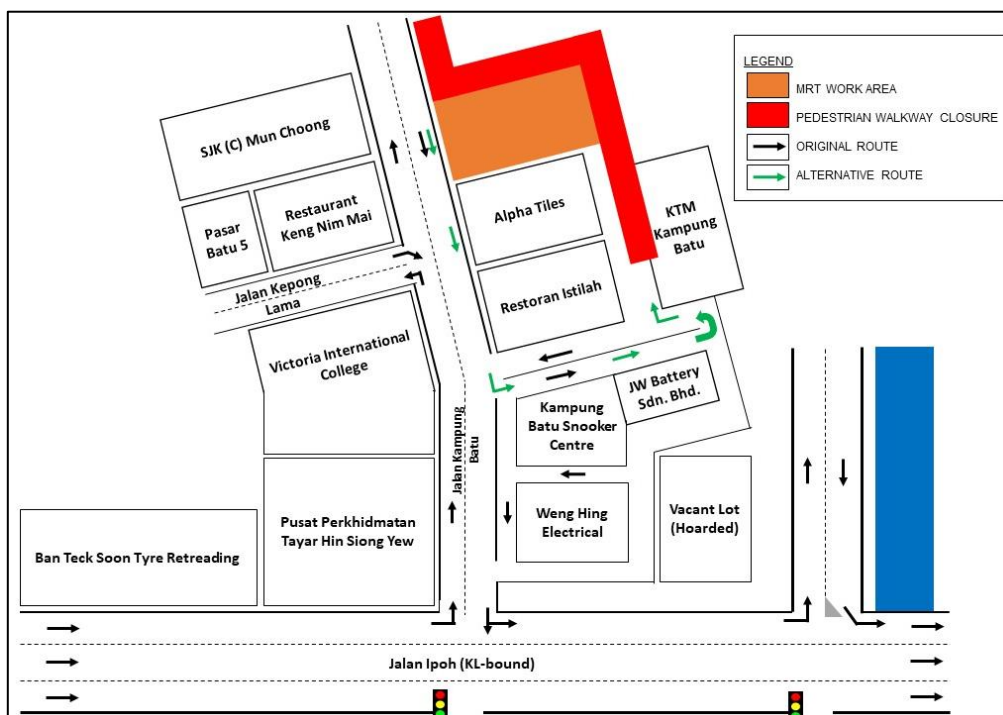

- Demolition works
- Piloting
- Site clearing works
- Station entrance construction works
- Any other related works

Works Duration:

- 15 March 2018 - 15 March 2020
- Monday - Saturday
- (7am - 7pm) working hours
- (10pm - 6am) certain construction activities that require night works

To facilitate the construction works, the MRT work area beside KTM Kampung Batu will be barricaded and there will be a temporary closure of the pedestrian walkway leading to KTM Kampung Batu. As such, pedestrians will need to use the original route as indicated by the **GREEN** and **BLACK** arrows in the map to access to KTM Kampung Batu Station.

Please refer to the map for further reference on the closure mentioned above:

We apologise for any inconvenience caused during this period. Your kind understanding and patience is much appreciated as we are building the MRT SSP Line for our future and to improve KL's public transportation system.
