

FOR IMMEDIATE RELEASE :

TRAFFIC ANNOUNCEMENT UPDATES FOR MRT CONSTRUCTION WORKS

TEMPORARY PARTIAL LANE CLOSURES IN STAGES IN JALAN SG. BESI

(NORTH BOUND)

Location	Jalan Sg. Besi (North/Jalan Istana/Jalan Tun Razak-bound)
Date	4 September 2018 – 9 September 2018
Duration	6 days
Reason	To facilitate tunnelling works

KUALA LUMPUR, 30 August 2018: MMC Gamuda KVMRT (T) Sdn Bhd (MGKT), the Underground Works Package Contractor for MRT Sungai-Buloh-Serdang- Putrajaya Line (SSP Line) wishes to announce **traffic management** plan on Jalan Sungai Besi beginning 4 September 2018 for about one week.

This is a follow-up to the similar plan we implemented early August to facilitate Tunnelling Works for MRT SSP Line.

The traffic management plan (TMP) applies to the north-bound lanes of Jalan Sungai Besi covering 50m starting from the Northern end of the Kuala Lumpur-Seremban Expressway and the Sungai Besi (Besraya) Expressway just before the two expressways joins Jalan Sungai Besi. Nearby landmarks for the location is the northern end of the Sungai Besi Airforce Base runway and Siu Siu Restaurant.

Please see map below for the location of the closure.

Part of the TMP involves the partial closure of two existing lanes at any one time, starting from the left-most (slow) lane towards the right-most (fast) lane. The closure will take place in stages and each closure is estimated to last for about 24hours to 48 hours.

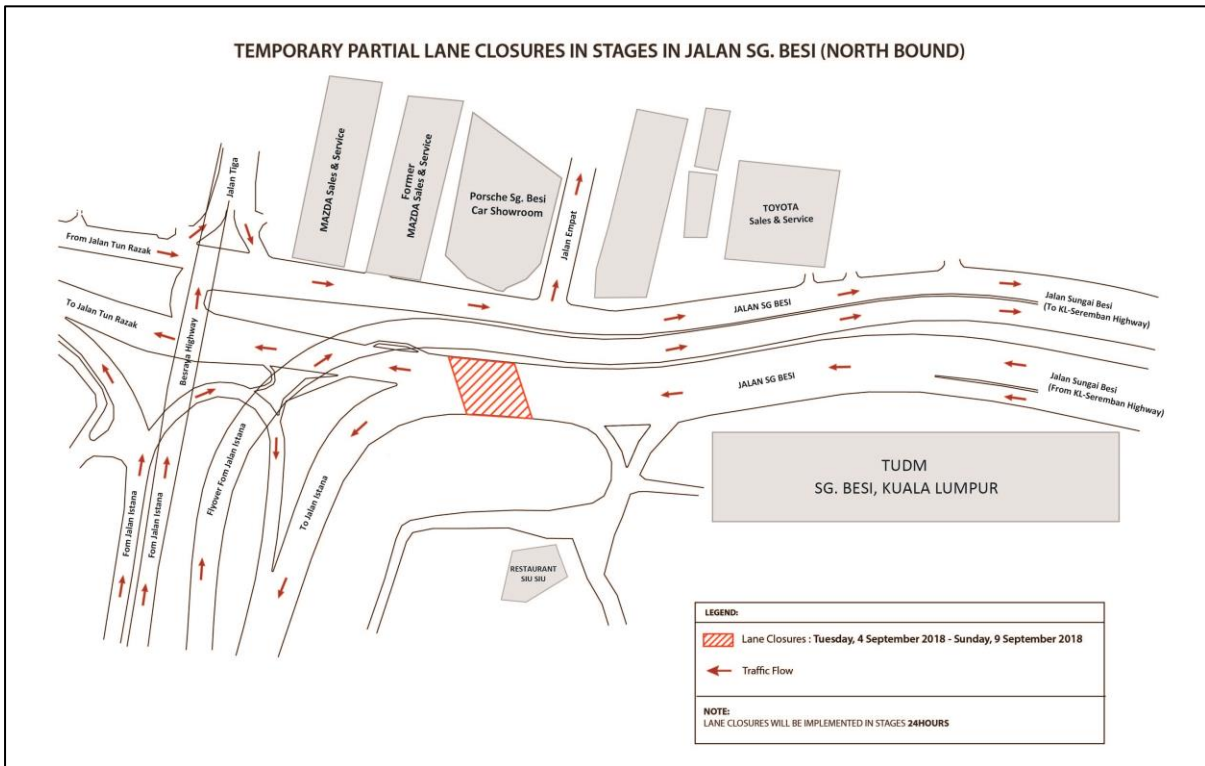

All accesses in an out of the city centre will remain open during the partial closures.

With the TMP, traffic hold-up is expected to occur along the Kuala Lumpur-Seremban Expressway. Road users are advised to use alternative routes during this period. Suggested alternative routes are described in the table and maps attached.

Motorists are advised to follow signage as they approach the location. The MRT Project Emergency Response Team will be deployed to help direct traffic.

For more information the public can visit the MRT website at www.mymrt.com.my or www.mymrt-underground.com.my, Twitter @MRTMalaysia or @MRTUnderground, Facebook @MRTMalaysia or @MRTUnderground or call the MRT Hotline at 1-800-82-6868.

MGKT wishes to apologise for the inconvenience caused as we build for our future
