MRT CORP ACHIEVES 100% COMPLIANCE FOR ASSET DECLARATION

Achievement in line with Hari Kebangsaan 2019 Theme "Sayangi Malaysiaku: Malaysia Bersih"

Kuala Lumpur, 27 August 2019: The 631 employees of Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) will have reasons for a double celebration during this year's Hari Kebangsaan.

Besides celebrating the country's 62nd year of independence, MRT Corp is also proud to announce that its recent exercise to get its employees to declare their assets had achieved 100% compliance.

MRT Corp Chief Executive Officer Encik Abdul Yazid Kassim said this achievement was very significant as MRT Corp was a government-owned company which was entrusted with billions of ringgit to implement projects.

"It is important for the company to be transparent in its dealings and assets declaration is an effective anti-corruption measure. This will also help to restore confidence in the people and provide no room for corrupt individuals from using their influence and abusing their positions to get financial rewards. It is also in line with the aspirations of the National Integrity Plan," Yazid said.

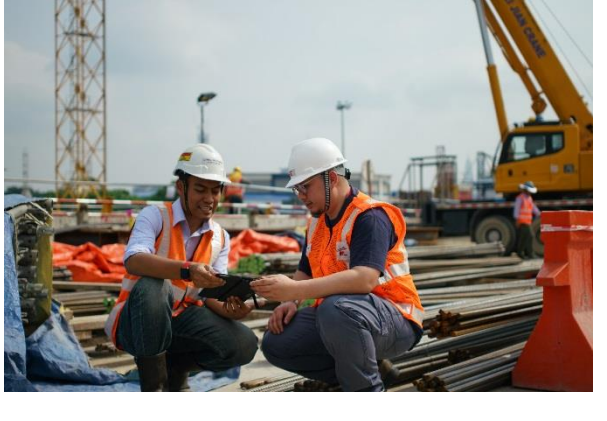

Carried out by the company's Strategic Human Resource Division together with the Integrity Unit of MRT Corp, employees were required to declare all their income, assets, and liabilities as well as that of their spouses to the company.

Yazid said the exercise was carried out to help prevent abuse of power, eliminate corruption, increase transparency, public accountability and trust in MRT Corp. It is part of on-going efforts within MRT Corp to build up a culture of integrity and good governance not only amongst its staff but also all external parties involved in its projects.

"I am very happy that the achievement will bring meaning to the theme for this year's Hari Kebangsaan, which is *Sayangi Malaysiaku: Malaysia Bersih*. This exercise is the Company's commitment to the Government's call for a *Malaysia Bersih*," he added.
