MAJORITY OF ISSUES IN AUDITOR-GENERAL'S REPORT RESOLVED

Kuala Lumpur, 16 July 2020: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) refers to media reports on the findings of the Auditor General's Report 2018 Third Series which touched on several issues with regard to the MRT Kajang Line (previously known as the MRT Sungai Buloh-Kajang Line).

MRT Corp thanks the Auditor-General for conducting the audit and for concluding that MRT Corp had successfully achieved the project objectives.

Following the conclusion of the audit, MRT Corp met with the Auditor-General's Department over the issues highlighted in the report.

The majority of the issues have since been resolved by MRT Corp. However, there are still several outstanding issues which are pending, most of which involve actions such as software updating. This is being addressed by the relevant Work Package Contractor.

MRT Corp will ensure that these outstanding issues are resolved at the earliest possible time in order to close off these matters.
