

RETAIL INFORMATION KIT

July 2022

TYPICAL RETAIL SPACE AT MRT STATION

Note:

- a) All retail units are equipped with built-in fire protection system linked to the station Operations Control Centre (OCC). This feature has been incorporated into the station design to ensure added safety precautions.
- b) All retail units are provided with base shop specifications such as metered isolator (63 amp 3 phase), metered cold water piping, floor trap/capped-off discharge pipe, fire roller shutter, emergency escape door and smoke detector.
